

## **Travel Team Canceled Game Procedure**

Up to 2 hours before the game, the club/parks and recreation make the cancellation decision. After that 2 hour window it is the field ref's decision only, not the coach's.

If your game is postponed due to rain by the field ref please notify your coordinator or Bob Meyers 508-633-2160 (c) because there can be a scheduled game that is more than 2 hours after yours which may have to be notified. ( if the 9:00 am game gets canceled by the ref at 8:30 am when he gets there, let us know so we can try and let everyone else know after that)

You must reschedule within a week of cancellation and the game should be played within 2-3 weeks afterwards. Email the opposing coach letting him know what nights you practice on and tell him you would like to reschedule on that night, if possible. Once you both agree on a date let your coordinator know so they can inform me and I will submit the update to the MAYS league. The game will not be officially rescheduled until it appears on Arbiter; you will receive an automatic email from Arbiter and most likely from your coordinator.

Please allow 1 week for a makeup, don't expect a Saturday 9/12 game to be made up on Monday 9/14. If you don't receive a confirmation notice from Arbiter as rescheduled, then it has not been rescheduled, so please follow up.

Makeup games take precedent over practices, so don't be surprised if you're asked to reschedule a practice.

Good luck this season.
